## INSTRUCTIONS

Track how you spend your hours each day, using abbreviations to keep it simple.

In 7 days from now, review and ask these questions:

1. What's missing?
2. What's out of whack?
3. What should be eliminated?
4. What should be your first focus?

Print a new worksheet and sketch out a new schedule. Experiment with it over the course of a week, tweaking as needed and evaluating until you find the right rhythm.
